

Praying for justice

The *Catching Fire* team have produced a new series of prayers for use with staff prayer. The seven prayer experiences focus on the call to engage in the mission of Jesus and are inspired by the Caritas Be More Challenge. The prayers provide an excellent resource to support the prayer life of the staff community in the school. A feature of this year's collection is the incorporation of tracks from the *Alive in the Spirit* CD produced by the MusicFire team and supporting multimedia for use in the prayers

The web site is [Staff Prayer Fire](#)
