

TTT Team Targets

Targets help you achieve your goals. Each team needs to look at their team goals and then set targets to help them reach these goals. At the start of the project, you will have certain targets. As the project progresses, you will get additional targets and some targets might change, so you will need to keep updating this template.

Team Learning Goals:

Targets towards reaching Team Goals:

What is to be done (targets towards reaching your goal)?	By when (date)?	Where will it be done?	How will it be done (list the steps to be taken)?	Who will do it (the people)?
