

# TTT Project Income

You know how much you need for your project. Now – how will you raise the money?

## Some might be donated –

from local businesses etc. – this might include not just dollars, but resources, such as plants, paint etc. Remember to keep any organizations that support you well informed about the project – invite them to any celebrations, and send them a thank-you letter and/or certificate of appreciation at the end.

## Some might be raised –

perhaps from doing activities such as a car wash, garage sale, fun runs, food stall etc.
